

Kansas

# Deaf and Hard of Hearing

LED Readout

Bed/pillow shaker  
(separate attachment)

Strobe light  
(separate attachment)

\*Battery powered too so will still work if power goes out

Be notified of dangerous weather day or night. Purchase separate attachments to alert you when severe weather is approaching.

Lightning can strike as far as 10 miles from an area it is raining. If you can see lightning, you are within striking distance.
